<sup>2</sup> For all authors, please clearly and correctly write your name and contact information. You are responsible for the consequence due to incorrect or incomplete information.

<sup>3</sup> At least one author of an accepted paper must register at the full rate before August 20, 2019.

<sup>4</sup> Member registration rates are available for members of IEEE. You must provide your membership number with registration. If you are not currently a member, you should consider joining, getting your membership number, and then registering to get the discount registration fees. The student discount is only applied to the paper in which the student is the first author.

<sup>5</sup> An author with multiple papers appearing in the conference proceedings must pay an extra publication fee for each additional paper. If you have a full paper and a short paper, the short paper will be charged as an additional paper.

<sup>6</sup> Emerging Technology Summit (AI, 5G, Big Data, and Security topics) information can be found on the web <http://cyberc.org/Program/Keynotes>. Your registration of CyberC 2019 is eligible for attending the summit without additional charge.

<sup>7</sup> This registration is valid for scholars from universities or organizations. The registration includes the attendance of the summit and conference and foods for two days.

<sup>8</sup> The registered author includes lunch and dinner for two days as well as the welcome party dinner. Due to the high cost of food at the hotel, the food expense is required for any accompany of the authors (e.g., his/her wife/husband who will not attend the conference but want the food the author). Invited keynotes, invited guests, invited conference and workshop chairs are not included for this fee.

<sup>9</sup> This is for CybeC author. Keep this table blank if you has no paper, such as attendance only for the Emerging Technology summit.
