³ At least one author of an accepted paper must register at the full rate before August 30, 2017.

⁴ Member registration rates are available for members of IEEE. You must provide your membership number with registration. If you are not currently a member, you should consider joining, getting your membership number, and then registering to get the discount registration fees. The student discount is only applied to the paper in which the student is the first author.

⁵ An author with multiple papers appearing in the conference proceedings must pay an extra publication fee for each additional paper. If you have a full paper and a short paper, the short paper will be charged as an additional paper.

⁶ Big Data summit information can be found on the web <http://www.cyberc.org/bigdata/>. Your registration of CyberC 2017 is eligible for attending Big Data summit without additional charge.

⁷ 5G summit information can be found on the web <http://www.5gsummit.org/nanjing/>. Your registration of CyberC 2017 may be eligible for attending 5G summit without additional charge. Please check CyberC website on September.

⁸ This registration is valid for scholars from universities or organizations. The registration includes the attendance of the summit and conference and foods for two days. [CD Proceeding is only included for the registration before August 30 2017. This is because we have to order the CD from IEEE before this date.](#)

⁹ The registered author includes lunch and dinner for two days as well as the welcome party dinner. Due to the high cost of food at the hotel, the food expense is required for any accompany of the authors (e.g., his/her wife/husband who will not attend the conference but want the food the author). Invited keynotes, invited guests, invited conference and workshop chairs are not included for this fee.

¹⁰ This is for CyberC author. Keep this table blank if you has no paper, such as attendance only for Big Data Summit and 5G summit.
