4. A copy of student card if you register as a student (Student registration only is only applied to First author is a student)

Authors Message, if you have (e.g., food, receipt):

For questions, contact:

Dr. Bin Xie
E-mail: Bin.Xie@computer.org.

¹ Hotel information will be available at <http://cyberc.org/Home/Accommodation>.

² For all authors, please clearly and correctly write your name and contact information. You are responsible for the consequence due to incorrect or incomplete information.

³ At least one author of an accepted paper must register at the full rate before Registration Due date. This ensures your paper to be published in IEEE proceeding.

⁴ Member registration rates are available for members of IEEE. You must provide your membership number with registration. If you are not currently a member, you should consider joining, getting your membership number, and then registering to get the discount registration fees. The student discount is only applied to the paper in which the student is the first author.

⁵ An author with multiple papers appearing in the conference proceedings must pay an extra publication fee for each additional paper. If you have a full paper and a short paper, the short paper will be charged as an additional paper.

⁶ **IEEE CyberC 2022 Data Analytics Competition** is provided by CyberC under the support of IEEE TCCC. You must register it additionally for eligibility for attending the competition (**Golden, Silver, Bronze** prizes with cash awards). More information can be found at <http://www.cyberc.org/competition>. The fee covers the foods for two days if you physically attend the conference and the competition.

⁷ This registration is valid for scholars from universities or organizations. The registration includes the attendance of the summit and conference and foods for two days.

⁸ This is for CyberC author. Keep this table blank if you have no paper.
